

### What does the Bible say?

God created humankind in his image, in the image of God he created them. **(Genesis 1:27)**

Seek the welfare of the city where I have sent you...and pray to the Lord on its behalf, for in its welfare you will have your welfare. **(Jeremiah 29:7)**

Ah, you shepherds of Israel who have been feeding yourselves! Should not shepherds feed the sheep? You eat the fat, you clothe yourselves with the wool, you slaughter the fatlings; but you do not feed the sheep. You have not strengthened the weak, you have not healed the sick, you have not bound up the injured, you have not brought back the strayed, you have not sought the lost, but with force and harshness you have ruled them. **(Ezekiel 34:4)**

The Lord who executes justice for the oppressed; who gives food to the hungry; sets the prisoners free; the Lord opens the eyes of the blind. The Lord lifts up those who are bowed down; the Lord loves the righteous. **(Psalm 146:7-8)**

I came that you might have life and have it abundantly. **(John 10:10)**

### What does The United Methodist Church say?

Health care is a basic human right. **(Social Principles ¶162.V)**

Health is a condition of physical, mental, social, and spiritual well-being. **(Social Principles ¶162.V)**

Stewardship of health is the responsibility of each person to whom health has been entrusted...Creating the personal, environmental, and social conditions in which health can thrive is a joint responsibility—public and private. We encourage individuals to pursue a healthy lifestyle and affirm the importance of preventive health care, health education, environmental and occupational safety, good nutrition, and secure housing in achieving health. **(Social Principles ¶162.V)**

We encourage hospitals, physicians, and medical clinics to provide access to primary healthcare to all people regardless of their healthcare coverage or ability to pay for treatment. **(Social Principles ¶162.V)**

# HEALTH CARE IN THE UNITED STATES

### What do the facts say?

- Over 27.5 million people in the U.S. still lack health insurance. Most uninsured are in low-income working families.<sup>1</sup>
- The average family spends \$8,200 (or 11%) of family income per year on health care premiums and out-of-pocket costs for things such as office visit copays, prescription drugs, and surprise or out of plan medical bills.<sup>2</sup>
- People who don't have health insurance are more likely to forgo preventative care, rely on emergency room for care, be diagnosed in the late stages of a disease, and leave prescriptions unfilled.<sup>3</sup>
- Among the U.S.'s maternal mortality rates, African-American women are three to four times more likely to die of pregnancy-related causes than white women.<sup>4</sup>
- In the U.S. the maternal mortality rate is 17.4 deaths per 100,000 live births, which is twice that of France (7.6 deaths per 100,000).<sup>5</sup>

### What do you say?

Take **ACTION** for justice...

**Remind** your members of Congress that health care is a right and not a commodity. Our priority for health should reflect our shared values honoring human life. We should work to correct inequity, especially as it affects the poor, the disabled, and other vulnerable populations who cannot afford or do not have access to health care.
