WHO WE ARE:

The General Board of Church and Society is one of four international general program boards of the United Methodist Church (UMC). The board is called to seek the implementation of the Social Principles and other policy statements of the UMC General Conference on Christian social concerns (2020/2024 Book of Discipline, ¶ 1004). Led by the General Secretary, Bishop Julius C. Trimble, Church and Society works to fulfill the mandate of:

Relating the gospel of Jesus Christ to the Church, communities, and the world in which they live.

Bringing the whole of human life into conformity with the will of God.

Showing that reconciliation involves personal, social, and civic righteousness.

Providing educational resources, sustaining relational connections and mobilizing networks to engage in social advocacy and action.
